Staff also have the right to avail themselves of this process.

RTO will approach all complaints and appeals with an open view and attempt to resolve issues through discussion and conciliation. Procedures

	Procedure Steps	Responsibility	Reference
1	Informal Complaint	Trainer Administration	
2	Formal Complaint	CEO Trainer Compliance Manager	

The complaints and appeals policy and procedure and form are made available to all students and potential students by directly contacting RTO, through RTO's website, pre-enrolment and Student Handbooks.

Where possible, all informal attempts shall be made to resolve the issue (informal complaint) this may include advice, discussions, meeting with the student, emails and general mediation in relation to the issue and the student's issue. Any staff member can be involved in this informal process to resolve issues, but once a student has placed a formal complaint/appeal, the following procedures must be followed.

If a student is uncomfortable with speaking directly to the person involved or the informal process does not resolve the issue to the student's satisfaction, the formal process should be followed as described below.

Where a student is unhappy with the outcome of an assessment decision, this will be dealt with under assessment appeals.

Formal Complaints

Any student, potential student, employee or third party may submit a formal complaint to RTO with the reasonable expectation that all complaints will be treated with integrity and privacy. There is no cost for the complaints process unless it is referred to a third party. Complainants have the right to access advice and support from independent external agencies/persons at any point of the complaint and appeals process. Use of external services will be at the complainant's costs unless authorised by the CEO.

Any person wishing to submit a formal complaint can do so by completing the Complaints and Appeals Form and state their case, providing as many details as possible. This form can be obtained by contacting the administration staff at RTO, or through the RTO website.

All formally submitted complaints are submitted to the Compliance Manager.

Once a formal complaint is received it will be entered into the Complaints and Appeals Register and written acknowledgment will send to the complainant which is monitored by the Compliance Manager regularly. The information to be contained and updated within the register is as follows:

- The name of the complainant
- Date of the complaint
- Type of complaint
- Name of investigating officer/business unit assigned to deal with the complaint
- Response from those involved in the allegations
- Analysis of the matter
- Outcome of complaint
- Action recommended addressing systemic issues (if any)
- Time taken to investigate the complaint
- Complainant satisfaction with the outcome.

A student may be assisted or accompanied by a support person at any face to face meetings regardless of the nature of the issue or complaint throughout the process.

The Compliance Manager will then refer the matter to the appropriate staff members or CEO to resolve or decide on the complaint within 10 working days and keep the complainant informed of any decisions or outcomes concluded, or processes in place to deal with the complaint.

Where a decision is expected to take longer than 60 days, RTO will advise the student in writing of the delay and include the reasons for the delay. Thereafter the student will be provided with weekly updates in writing of the progress of the complaint or appeal. Weekly updates to both complainant and appellant will be provided by the Administration Manager. If the decision is taking more than 60 days, the matter can be forwarded to an external complaint resolution organisation as well for resolution.

Once a decision has been reached, the Compliance Manager informs all parties involved in writing. Where the complaint process does not find in favour of the learner, students will be notified that they have the right to appeal. To appeal a decision, the RTO must receive, in writing, grounds of the appeal within 10 days of the date of the notice of the decision.

The Compliance Manager ensures that RTO will act immediately on any complaint where the complaints process results in a decision that supports the student. RTO will immediately implement any decision and/or corrective and preventive action that is required and advise the student of the outcome.

Copies of all documentation, outcomes and further action required will be placed on the Complaints and Appeals Register by the Compliance Manager or representative and also in the student's file.

Appealing

All students have the right to appeal decisions made by RTO where reasonable grounds can be established. The areas in which a student may appeal a decision made by RTO may include:

- Any other conclusion/decision that is made after a complaint has been dealt with RTO in the first instance as described in the complaints process above. This is referred to as a general appeal.
- Assessments decisions as set out below (assessment appeals).

To activate the appeals process, the student must complete a Complaints and Appeals Form that is to include a summary of the grounds the appeal is based upon. The reason the student feels the decision is unfair is to be clearly explained and help and support with this process can be gained from RTO staff. With regard to general appeals, The Complaints and Appeals Committee determines the validity of the appeal and organises a meeting with all parties involved in the matter and attempts to seek resolution where appropriate.

The process for all formally lodged appeals will begin within 10 working days of the appeal being lodged.

The Complaints and Appeals Committee ensures RTO acts on any substantiated appeal.

The Complaints and Appeals Committee is made up of three people; the three people will be selected from this group: the CEO and Compliance Manager and one other person nominated by the CEO.

General Appeals

Where a student has appealed a decision or outcome of a formal complaint, they are required to notify RTO in writing within 20 working days of the grounds of their appeal. Any supporting documentation should also be attached to the appeal

The appeal shall be lodged through the Complaints and Appeals Committee and they shall record the details of the appeal in the Complaints and Appeals Register.

The Complaints and Appeals Committee will be notified and will seek details regarding the initial documentation of the complaint and make a decision based on the grounds of the appeal.

The student will be notified in writing of the outcome with reasons for the decisions, and the Complaints and Appeals Register updated. The student will also be provided with the option of activating the external appeals process if they are not satisfied with the outcome. The student is required to notify RTO if they wish to proceed with the external appeals process.

Assessment Appeals

Where a student wishes to appeal an assessment, they are required to notify their Trainer in the first instance. Where appropriate their Trainer may decide to re-assess the student to ensure a fair and equitable decision is gained. The Trainer shall complete a written report regarding the re-assessment outlining the reasons why assessment was - or was not - granted.

If this is still not to the student's satisfaction, the student may formally lodge an appeal. They will lodge this with the Complaints and Appeals Committee and the appeal will be entered in the Complaints and Appeals Register.

The Compliance Manager will be notified and will seek details from the Trainer involved and any other relevant parties. A decision will be made regarding the appeal either indicating the assessment decision stands or details of a possible re-assessment by a third party. The third party will be another Trainer appointed by RTO.

The student will be notified in writing of the outcome with reasons for the decision, and the Complaints and Appeals Register updated. The student will also be provided the option of activating the external appeals process if they are not satisfied with the outcome. The student is required to notify RTO if they wish to proceed with the external appeals process.

External Appeals

If not satisfied with the decision in stage 2, the complainant may request that the matter be further reviewed by an external dispute resolution process, by the body appointed by RTO for that purpose.

The details of these external bodies are as follows:

LEADR Complaints, Appeals and Resolution Department

<https://www.leadriama.org/aboutleadr/compliments-suggestions-and-complaints>

Or

By contact with the Legal Aid Department in your relevant state.

The division of the expenses associated with the mediation e.g. mediator's fee, room hire and possibly travel expenses are to be shared equally between RTO and the complainant.

The RTO will immediately implement recommendations arising from the external review within at least 10 working days of the receipt of the recommendations.

Further information

If a client (student or other party) is still dissatisfied with the decision of RTO, they may wish to seek advice or make a complaint about RTO to ASQA directly. If, after RTO's internal complaints and appeals processes have been completed, the complainant still believes RTO is breaching or has breached its legal requirements, the complainant can submit a complaint to ASQA by completing the "Complaint about a training organisation operating under ASQA's jurisdiction" form. While ASQA will not be able to act as the complainants advocate the lodgement of the complaint will inform ASQA's risk assessment of RTO and a complaint audit may be conducted.

- Investigations and decisions are made by persons who do not exercise bias
- A complainant should feel confident that they will not suffer any discrimination as a result of using the complaint or appeal process

until either it has expired, or the result of the complaint or appeal is decided in the students favour.

- RTO has a fair and transparent informal and formal complaints and appeals process, but should the student require it, access is available to an independent mediator who can review the complaint and/or appeals process.
